

WIIFM?

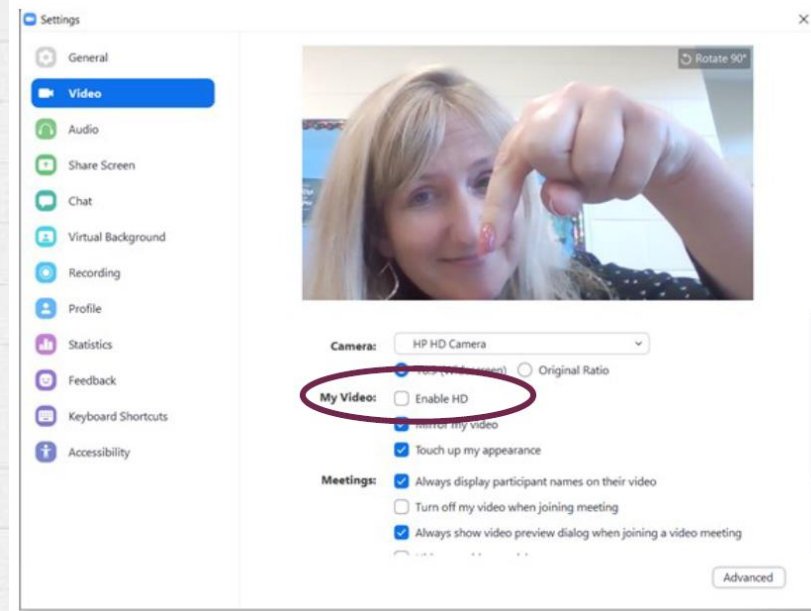

x Today you will...

- Set your Zoom to broadcast in SD
- Create your Zoom links and send it to Beth & me
- Practice setting up your webcam as a document camera

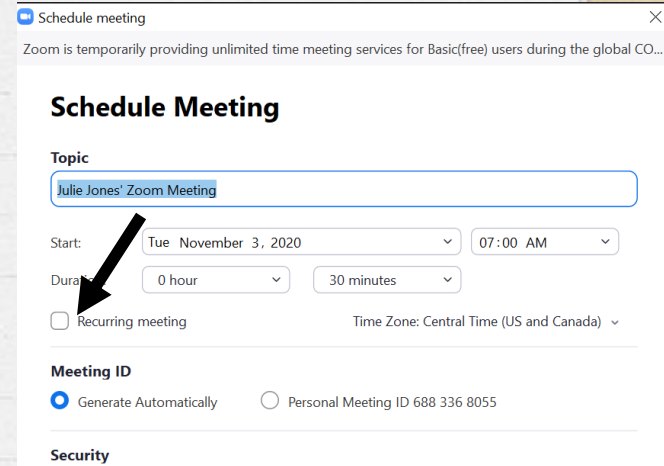

Set your Zoom to broadcast in SD

1. Open Zoom on the computer.
2. Click the gear at the top right (under your initials)
3. Choose video and make sure 'Enable HD' is not selected.

Creating a Recurring Meeting

1. Open the Zoom app on your computer.
(Not in your browser!)
2. Click 'Schedule' and click 'Recurring Meeting'.
3. Make any other changes you want, then click 'Save'.
4. When you look under 'Meetings' option, you will now see this new meeting listed under the 'Recurring meeting' list.

Schedule meeting
